- A. The list should include all the beneficiaries who were with the institution for any part of previous financial year. The total number should tally with the roe (i) plus roe(ii) of 19 of part B of the application.
- B. As far as possible the list should be separate for each identified activity or facility identification of beneficiary with an activity/component of the project.
- C. The list should preferably be in alphabetical orders or some other well defined order and followed from year to year.
- D. The fact whether the beneficiaries are residential/non residential may be brought out in remark column or in a separate column.
